"The greatest invention since sliced bread, SwapaCD is one of my all time favorite sites. A haven when I was moving and needed a way to get rid of all my CDs that I didn't want anymore to people who would absolutely enjoy them. Thanks folks"

Akasha A. - GLEN ALLAN, MS

"SwapaCD is a great site. I'm glad I found you. As a music lover I have boxes full of CDs that I've collected through the years. CDs that I never listen to, now I have a way to trade them for CDs I will enjoy. Thank you for creating this great website."

Mark H. - MARSHFIELD, WI

"SwapaCD has allowed me to finally check out music I've been wanting to hear for years but put off buying because new CDs are so expensive. I've scored some really great CDs on here, and many of the ones I have listed have gone fairly quickly. This site is so much fun and so easy to use. The PBS guys have done it again - they run a quality show. "
