Join our CD club for free and start enjoying CDs delivered right to your doorstep!

We have thousands of club members who enjoy listening and mailing CDS to each other.

WRAP

Simply list your CDS at SwapaCD.com and begin swapping CDs. When another member selects one of your CDs, you mail it to them. Yes, you have to pay for postage. But then, when you select a CD, another member returns the favor and mails. All it cost you is \$0.49

For every CD that you mail out, you get another CD of your choice in return – a true shared system!

Our club members are a great group of people who love to listen and share. If you have some CDs lying around, then this club is perfect for you.
